H. WALLEY NOMINATED FOR CONGRESSMAN

Hancock County Eagle is pleased to announce the nomination of H. Walley, of Leakesville, to the office of Congressman, 5th District of Mississippi. At that time, I stated that I would not be a candidate against anyone, but would seek the office upon my own qualifications, and would offer the people a program designed to "return the government to the people."

In an effort to prove my qualifications, I offer you the following: I am a lawyer in Leakesville, where I have been in general practice for eighteen years. However, during that time, I served Greene County as Representative in the Legislature; served the Mississippi Legislature as Legislative Draftsman in the office of the Attorney General; served this Congressional District as a member of the State Game & Fish Commission for one year; and served Mississippi for three years as Executive Assistant to former Governor J. P. Coleman.

A program which I believe will help return the government to the people is as follows:

(1) Immediate relief from taxes. The income tax is here to stay. Therefore, I shall offer and work for legislation to give every individual a "cost of living income tax exemption."

(2) Prompt development of the Pat Harrison Waterways System and the Pearl River Basin, at government expense. We have had enough "surveys." We had one survey in 1938, one in 1947, and we are advised that a third one is now underway. I think it time to start moving dirt. We are truly a "distressed area" and this will mean real and lasting progress for the people of this District.

(3) Australia has sabotaged our "cattle farming"; the European "Common Market" has ruined our Chicken Industry; and the ownership and management of our "Federal forest lands" have literally destroyed our "timber market." Therefore, I propose to start getting the "government out of business" by selling, to individuals, our "Federal Forest lands."

(4) The social security program, which includes industrial employment, insurance, welfare payments to the aged and dependent children, and social security benefits to the retired workers, leaves much to be desired. It must be re-examined and improved to provide benefits to those who need it most. Otherwise, it will be lost entirely. This can and should be done.

(5) The farmer is the "backbone" of this nation. Yet he has been ignored and forced out of business. He is criticized because he asks for and receives some small amount of "government aid." I shall actively support every measure designed to increase benefits to the farmer. Government Aid to the farmer is not a business, but as long as this nation enters into "Cost of Living" with every commodity, the farmer should be protected for his efforts on behalf of the nation.

There are many things that can be done to help our people. I will do these things.

RAIN

We had so much rain over the weekend, all the dust particles are out of the air, which made all television sets go whacky. We don't realize how much television has become a part of our lives until we are without it.

HAIL HAIL

And not the gangs all here, but the hail was here on Tuesday as big as marbles.

Hurricane season will be entered with a skeptical feeling since we seem to hit the jackpot with such strange unpredictable weather this year.

SODALITY NEWS

The Blessed Virgin Sodality will receive communion at the 7 o'clock Mass Sunday morning.

Mrs. Marcus Eichhorn will be chairman of a benefit card party for the Sodality on the afternoon of May 12th.

The Blessed Virgin Sodality held their regular monthly meeting on Wednesday, April 22nd. A dinner was planned for Sunday, June 7th.

Chairman will be Mrs. Fred Bourgeois and co-chairmen Mrs. Charles Richard and Mrs. Garfield Lader.

Tickets will be on sale for \$1.00.

For those who don't know it, Split Lake, located in north Idaho has a bottom of solid stone. It is just about snake-bite time. Our woods are full of the varmints but for safety sake from snake-bite, you can purchase snake-pigot pants, snake-bite high top shoes and snake-bite kits. It is suggested that you keep 2 or 3 kits handy in your car, one in your pocket and one at the camp. It's always safe to be prepared. There are illustrated instructions in each kit on how to use them. Be safe, a snake bite can be serious.

Observe the game and fish laws. The fresh-water fishing laws and regulations are made for the protection of the interests of sport fishermen.

It was a pleasure to see Chas. Kargoslen, a local boy, but who now lives at Hazelhurst, Miss. Charles promises to come down soon and do some fishing with us.

Members of the local Rotary Club enjoyed lunch and a tour of the Test Site last Wednesday. There were about 40 members on the trip aboard the bus driven by Rev. Chas. Johnson who did a wonderful job of handling the bus. A narrator explained the projects underway and it was fantastic to see the things being constructed at the site. Tom Logue is chairman of the program committee of Rotary and did a good job. He was praised by the group for handling

the tour in such an efficient manner.

Boy Scout Troop 208 enjoyed a camp-out last weekend. 28 boys made the trip under the guidance of Scout Master Laverne Fahman and his assistant, Watson Johns. Things went well Friday and Saturday but the troop was rained out Sunday. The boys returned hail and hearty, none the worse for their experience. Better luck next time, boys.

Last Sunday was one of those do nothing days. The rains put the damper on all out-door sports, and numerous trips had to be cancelled. My mother told me there would be days like that.

The Ladies Club championship tournament to be held at Pass Christian Golf Club April 27th-May 1st was cancelled. The date will be reset for later holding of the tourney by the Board of directors.

The soft ball leagues' tournaments will get underway on Monday, May 25th. There are about 10 teams in the league and there should be some good games ahead. Soft ball is becoming more and more popular with local fans and competition should run high. Will have schedule of play at a later date and names of teams competing. If you like to play soft ball, sponsors are looking for additional players.

Parts taken from an article in the Times-Picayune of Monday showed that Lester Lautenschlaeger, Jr., and Robert "Red" Hardie learned a lot of things last weekend during a harrowing 27-hour ordeal in Biloxi Bayou.

"First of all," said Lautenschlaeger, relaxing Sunday afternoon at his home, "we learned that a Coast Guard helicopter can be the most beautiful sight in the world. It was to us around noon today."

Lautenschlaeger said they also learned that staying put and just waiting for help is often the safest thing to do. "If we had ventured out, we could have easily been goners Saturday night during that wind, rain and lightning."

When out fishing, it is a good idea to stay put and hope for help, don't get panicky and don't try to fight the elements. Safety first pays off.

Several creatures were found on the beach over the weekend which caused much talk and speculation until it was proven that they were Portuguese man-o-wars, a specie of the jelly-fish family.

LIND DEATH AT PASCAGOULA

Mrs. Norine M. Lind, 76, wife of the late Emile Lind, died at 2:30 p. m. Wednesday, April 22, in Singing River Hospital, Pascagoula.

A native of Waveland, Mrs. Lind resided there until four years ago when she moved to Pascagoula, where she resided with her daughter, Mrs. V. E. Woodcock.

She was the daughter of the late Etienne Ladner and Delphine Necaise Ladner.

Survivors are a son, Forrest Bourgeois, Waveland, two daughters, Mrs. E. A. Asher, Ocean Springs and Mrs. Woodcock; two sisters, Mrs. Artemise Cuevas, Gulfport and Mrs. Jennie Bourgeois, Waveland; and 13 grandchildren.

Funeral services were held Friday morning from Riemann's Fahey-Whitfield Funeral Home with a Requiem Mass at 10 o'clock at St. Clare's Church, Waveland, with the Rev. John O'Brien, pastor, officiating.

Interment was in Waveland Cemetery.

Pallbearers were Leo M. Dubuisson, Jerry E. Walker, James E. Woodcock, Thomas J. Necaise, Lee Bourgeois and Louis Walker.

They are transparent, look like small rubber balloons (blown up) and their sting is poisonous. They have what seems to be a head and tentacles at the rear of the body. From good authority it was learned that when stung by the man-o-war, the best remedy is pure chlorine or purest or most any other cleaning liquid. If seen in the water, avoid them. Tell the children not to play with them is the advice of A. R. Ayers who said the man-o-wars are common on the Pacific Coast, East Coast and most anywhere in the Gulf of Mexico.

Enjoyed talking to Mr. and Mrs. A. R. Ayers who were traveling through the Bay Monday on an extended vacation to Florida in their streamline trailer. Both love to fish and expect to do some while in Florida.

HELP Your Children! VOTE YES

On May 2nd For The Hancock County School Bond Issue

Do you want your children and the children of your community EDUCATED?

OR

Do you want to penalize these children by voting against the BOND ISSUE?

If you stay away from the polls on May 2nd and do not vote for the BOND ISSUE, you are only hurting the innocent children by preventing the construction of these much needed school facilities.

After a careful study of the proposals made by the Hancock County School Board and endorsed by the State Department of Education, the Parent-Teacher Associations of Hancock North Central and Logtown schools and the Co-op Club of the Gulfview School have declared this BOND ISSUE to be essential for the Hancock County School District to properly provide for the education of our children.

The small millage added to your taxes will not exceed \$2.00 yearly to the average tax payer - Surely this is small enough to invest in the future welfare of your loved ones.

The following are excerpts from the Hancock County School Board minutes reflecting a unanimous vote of the Board Members showing exactly what will be done with the \$375,000.00 BOND MONEY, along with other monies necessary to complete the architect's plans for the County Schools.

"It having been determined that the Logtown School has been condemned by the National Aeronautics and Space Administration and can no longer be used for school purposes and that it is necessary to replace this school with a school consisting of eight (8) classrooms, cafeteria, gymnasium and related facilities necessary for the conduct of an elementary school. Further, that it has been concluded that due to the crowded conditions and the increase anticipated it is necessary to construct ten (10) additional classrooms, cafeteria, renovate and repair the existing gymnasium and conduct the general repairs to Gulfview School. In addition thereto it is also necessary to purchase additional land for expansion purposes of said school. It has been further determined that there is an existing need at North Central High School for Four (4) new classrooms, a bus shop, landscaping and repairs to existing buildings, and WHEREAS, it has been determined that there will be available to the Board the sum of approximately \$150,000.00 to \$200,000.00 from the National Aeronautics and Space Administration for the school so condemned, and that an additional sum of \$375,000.00 will be necessary to accomplish the aforesaid purposes." (Taken from the Minutes of the Hancock County School Board Meeting held April 6, 1964.)

"BUILD A COLORED SCHOOL

Mr. E. P. Ortte moved and seconded by Lamar Lee to go on record to build a colored school in Hancock County district. Motion Carried." (Taken from the Minutes of the Hancock County School Board Meeting held on November 23, 1963.)

Mr. Fred Wagner, Architect, estimates the cost of the three construction projects as follows:

Pearlington School	\$242,240.00
Gulfview School	\$222,600.00
Hancock North Central	\$122,400.00

We, the Hancock County School Board pledge to the citizens of the County School District, that we will complete all plans as above proposed on a very conservative basis accounting for every dollar expended. We are endeavoring to meet the obvious needs of each school by expanding their facilities.

The Mississippi Accrediting Commission is setting forth more rigid standards and requirements each year for accreditation of schools. Since our County Schools are accredited as a whole unit and not simply by one of the schools, we must see that each school is improved and its needs are met in order to maintain accreditation. Gross overcrowding and inadequate, worn-out facilities will not meet the standards.

We are doing and shall continue to do our part. Will you do YOURS?

If we are ever to progress and stay abreast of our times, it is imperative that we make these improvements. The need is here. - The choice is yours.

VOTE YES ON MAY 2ND - VOTE FOR YOUR CHILDREN.

Signed: Robert F. Ladner, County Superintendent of Education and Hancock County School Board:

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

"Don't forget Tippy's treat!" Even if we're a bit late leaving for church, Susan and Mark must take their paper bag of surprises for Tippy the squirrel. Tippy lives in the park beside the church, and he's one of many happy, heart-warming things that our family looks forward to on Sundays.

We are rearing our children in the Christian faith because we know from our own experience how much it means to young people growing up. Without a right sense of values, youngsters are so likely to get into trouble.

Already Susan and Mark are learning to trust in the loving protection of God, and to turn to Him with their little problems. Through the stories of Jesus they are beginning to understand what it means to follow Him. We pray that this childhood pattern will strengthen and form a steadfast foundation for the whole of their lives. No parents could ask for more.

BOARD OF SUPERVISORS PROCEEDINGS...

APRIL TERM, A. D. 1964

Be it remembered that a regular meeting of the Board of Supervisors of Hancock County, Mississippi, was begun and held at the Courthouse thereof, in the City of Bay St. Louis, Mississippi, on Monday, April 27, 1964 at 9:00 o'clock A. M. there being present: R. G. Hubbard, Jr., President; H. U. Dean, Alton Kellar, Charles Livingston, and James Nease, Members; Sylvan Ladner, Jr., Sheriff; and Marie E. Quintini, Clerk of the said Board.

NOTIFY GARCIA OF ROAD OPENING

Upon motion of Supervisor Dean duly seconded by Supervisor Nease the following order is adopted:

Be it ordered by the Board of Supervisors of Hancock County, Mississippi, that the Clerk of the Board through the medium of the Sheriff's office be and he is hereby authorized and directed to notify Messrs Harold and Floyd Garcia that a hearing is to be held on provision for an outlet for the public road; and that meantime the public road through, on or adjacent to their property must be kept open to the public, and it is ordered that any and all obstructions to said road through, on or adjacent to their property must be removed immediately, and that said public road remain open until such time as a hearing may determine the provision of an outlet for said property owners.

Ordered that the Clerk of the Board furnish the Sheriff of this County a certified copy of this order to be delivered in person to Harold and Floyd Garcia.

CONTRACT FOR PUBLISHING LEGAL NOTICES

In response to duly published notice to bidders on publishing legal notices for Hancock County in the year 1964, or more particularly for the year from the date of this order, it appears that the lowest bid is from the Hancock County Eagle in words and figures as follows:

"In accordance with your notice to bidders requesting bids for publishing all legal notices for Hancock County as required by law for the period beginning with the date of acceptance of this bid until December 31, 1964, we quote as follows:

For First insertion, 2c per word.
For Second insertion, 1c per word.
For Third insertion, 1c per word.
For Fourth insertion, 1c per word.
Which makes a total of Five (5) cents per word for notices which are published for the full time of insertions. By way of explanation this is 50 per cent of the standard legal rate as set for legal advertising, according to law, by the state of Mississippi.

Respectfully submitted
Hancock County Eagle,
By John Damborino,
Editor

Upon motion of Supervisor Dean duly seconded by Supervisor Kellar the foregoing bid is unanimously accepted.

BIDS INVITED FOR CALCULAT-

ACTION WITHHELD ON REDISTRICTING PETITION

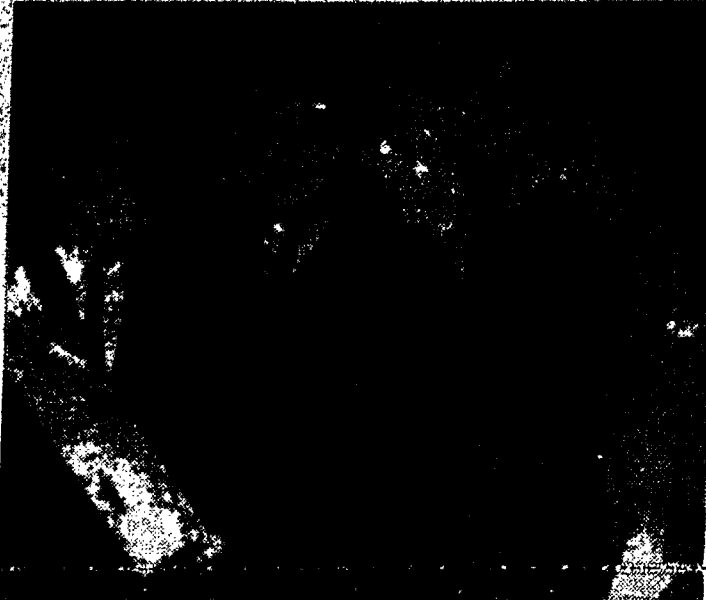

Be it ordered by the Board that the Board decline to act on the pending petition for redistricting the County by the annexing an area of Beat 4 to Beat 2. It is further ordered that the matter of redistricting the county be taken up Monday, April 13th 1964 after an opportunity is had for consideration of the matter at an informal hearing or get-together on Wednesday evening, April 8th.

\$375,000 BOND ELECTION FOR HANCOCK COUNTY SCHOOL DISTRICT

The Board of Supervisors took up the matter of calling a special election for the purpose of submitting to the qualified electors of the Hancock County School District a certain proposal for the issuance of school improvements bonds, whereupon it was moved by Supervisor Dean, seconded by Supervisor Kellar, and unanimously carried, that the full text of a certain resolution adopted by the Board of Trustees of said school district on the 6th day of April 1964 be spread at length upon the minutes of the Board of Supervisors; said resolution being in words and figures as follows, to-wit:

Mr. Powell moved, and duly seconded by Mr. Murphy, the adoption of the following resolution:

Whereas, after a careful and thorough survey and investigation it has been determined by this Board that it is necessary for certain school buildings and additions to school buildings be constructed in the Hancock County School District to meet the present and future educational needs of the people of said school district, it having been determined that the need by the National Aeronautics and Space Administration and can no longer be used for school purposes and that it is necessary to replace this school with a school consisting of eight (8) classrooms,

cafeteria, gymnasium and related facilities necessary for the conduct of an elementary school. Further, that it has been concluded that due to the crowded conditions and the increase anticipated it is necessary to construct ten (10) additional classrooms, cafeteria, renovate and repair the existing gymnasium and conduct the general repairs to Gulfview school. In addition thereto it is also necessary to purchase additional land for expansion purposes of said school. It has been further determined that there is an existing need at North Central High School for four (4) new classrooms, a bus shop, landscaping and repairs to existing buildings, and

Whereas, it has been determined that there will be available to the Board the sum of approximately \$150,000.00 to \$200,000.00 from the National Aeronautics and Space Administration for the school so condemned, and that an additional sum of \$375,000.00 will be necessary to accomplish the aforesaid purposes, and

Whereas, under Section 6532-04, Mississippi Code of 1942, this Board is empowered to request that the Board of Supervisors call an election to determine whether or not such bonds for school purposes should be issued,

Now therefore, be it resolved that the Board of Supervisors of Hancock County, Mississippi, be requested to call an election to determine whether or not a maximum amount of \$375,000.00 of bonds shall be issued by the Hancock County School District for the following purposes, to-wit:

Pearlington School: Construct ten (10) additional classrooms, cafeteria, gymnasium and related facilities, provide water, lights, heating and sewage facilities, for said school.

Gulfview School: Construct ten (10) additional classrooms, cafeteria, renovate and water-proof gymnasium, generally repair the present school building, and purchase additional land for purposes of expansion.

North Central High School: Construct four (4) new classrooms, bus shop, landscape and repair the existing school buildings.

Be it further resolved that the Secretary of this Board be directed to file a certified copy of this

YOUNG GOP OPPOSED TO VOTE LAWS

JACKSON, Miss. - The Mississippi Young Republicans are opposed to proposed changes in state election laws, the civil rights bill in Congress, and statewide prohibition, as it now operates.

Delegates to the second annual young Republicans convention last week adopted a resolution asking the legislature to defeat election law changes supported by Gov. Paul Johnson.

The delegates said the "present laws are fair to both parties except the law which provides that

the state pay for Democrat primaries only."

Johnson has said the election law changes would put the GOP on an equal footing with Democrats.

"The proposed laws are intended to and will in fact destroy the Mississippi Republican party, and eliminate a basic American freedom - the freedom of choice," the GOP resolution said.

The delegates said the state's position on liquor was "hypocritical" and should be put to the voters to decide whether a county should be wet or dry; Mississippi is the last legally dry state.

Manly Molpus of Jackson was elected chairman of the state organization and Mrs. L. L. McAllister of Meridian was selected vice chairman. She is the wife of the only Republican in the legislature.
